Transitioning Eboards

Remember a successful executive board is not only the glue that will hold your organization together from year to year but also the fuel that continues to propel them in a forward direction. CCC Monthly Tip

Your roster is a reflection of the membership and leadership of your organization and it is important to keep this up to date. Officers of an organization should have an option to "Manage Roster" on the roster page of your org's site. Through "Manage Roster", membership will be broken into three statuses: "Current", "Pending", and "Prospective". "Pending" members have received - but have not yet accepted - an invitation. "Prospective" members have requested - but have not yet been granted - membership. Each member in the "Current" list should have an "Edit Positions" button where officer roles can be added. Remember to keep your roster updated!

This publication is brought to you by Wilson Commons Student Activities:

The Student Organization Insider is WCSA's monthly e-newsletter for student organization executive boards and advisors. The Student Organization Insider (SOI) is intended to keep student leaders informed on opportunities and updates from their areas of advisement: Students' Association, Athletics, the Interfaith Chapel, Fraternity and Sorority Affairs, Residential Life, Rochester Center for Community Leadership, the Hajim School, and Wilson Commons Student Activities. The SOI will not focus on information available to students through the Weekly Buzz or Weekend Highlights, and it will not be used to advertise student organization events. Instead, this newsletter is a unique and specialized publication with information and opportunities that are relevant to you as student leaders!
