PROGRAMMATIC HIGHLIGHTS
- We integrate academic support, social-emotional learning, and physical health and wellness.
- Each student will have their own quiet work space, equipped with Wi-Fi, to complete their daily assignments. Our staff will be ready to assist students with any support, as well as provide them with needed “brain breaks.”
- We follow all CDC and NYS health and safety guidelines. Furthermore, we have a proven track record of safely serving kids during this health crisis. Protocols and processes have been successfully practiced at child care center since mid-March and at camps all summer.
- Extended care included (7 am to 6 pm) relieving some of the burden placed on parents and guardians.
