

“I’m a member of Rochester Loyal because

the University of Rochester created a wonderful opportunity for me to travel to Uganda as a young medical student. In 1972, I took a year out of med school to do research at the Uganda Cancer Institute, which was unheard of at the time. I came back a different person. My experience taught me to listen and understand before making a decision—a lesson I still use today when teaching global health and pediatrics.”

—Dr. Dennis A. Clements III '72M (MD), Professor of Pediatrics, Nursing, Community and Family Medicine, and Medicine; Chief of Primary Care Pediatrics/Duke University Medical Center
