"The University of Rochester awarded me scholarships that allowed me to graduate without debt, and that gave me a lot of flexibility when I was choosing where to take my engineering entrepreneurial career. I joined the George Eastman Circle because I wanted to help future students and provide greater opportunity for them to do something big when they graduate.”

—Tyler Kieft ’09 | Software Engineer, Facebook
San Francisco, California

Supports: Hajim School of Engineering and Applied Sciences Annual Fund and the Dean's Fund for the Newman Community

Members of the George Eastman Circle, the University of Rochester’s leadership annual giving society, commit at least $1,500 in unrestricted annual funds to areas they care about most, for a minimum of five years. To learn more about joining, visit www.rochester.edu/giving/gec or call (800) 598-1330.
