Key Features of a Gift Annuity

- A guaranteed fixed income; a portion will be tax-free for a period of years
- A generous gift to the University, to be used as you direct
- A charitable income tax deduction

In return for your gift of cash or securities the University agrees to make fixed quarterly payments to one or two annuitants you name, for life. Individuals over age 70½ may be able to take advantage of special rules for using funds from a traditional Individual Retirement Account. Contact us for details.
