☐ I have additional dependents and my [Additional Dependents Form](#) will be submitted along with this form.

Beginning with the 2015 Plan Year, the Affordable Care Act Regulations requires all insurers and self-insured employer groups (UR) to report to the IRS the social security numbers (SSN) for each individual (employees and dependents) to whom the group provides minimum essential health care coverage (MEC) intended primarily to support the IRS' enforcement of the individual mandate. In addition to your own, please provide the SSN for each dependent to be enrolled under your University Health Care Plan. Under Medicare, Medicaid and SCHIP Extension Act of 2007 (MMSEA), third-party administrators of self-funded plans like the University of Rochester's Health Care Plans are required to meet new reporting requirements. Reportable information includes Social Security Numbers of individuals whose health care plan coverage begins on or after 1/01/09, who are 45 or older, are covered by Medicare, or have end-stage renal disease.

³ Required field for all dependents.

⁴ If an employee adds a Domestic Partner, they will need to submit the [Certification of Domestic Partner Status form](#). If applicable, they should complete the [Domestic Partner Tax Affidavit](#). Both forms are available on the Total Rewards website.

⁵ A [Handicapped Dependent form](#) is REQUIRED for these eligible dependents. Forms are available online at rochester.edu/totalrewards and from the Office of Total Rewards. Please return completed forms to the address listed on the form.

I am making one or more changes to my FSA.

Please specify your changes in the section below.

Maximum FSA Contribution Amounts for 2022:

Health Care FSA and Limited Purpose FSA - \$100 minimum and \$2,750 maximum annual contribution.

Dependent Care FSA - \$100 minimum and \$5,000 maximum or \$2,500 if married and filing separate tax returns annual contribution.

I would like to begin contributing to an FSA.

Annual Health Care FSA Contribution: \$ _____

Annual Dependent Care FSA⁸ Contribution: \$ _____

Annual Limited Purpose FSA⁹ Contribution: \$ _____

I am currently contributing to an FSA at the University and would like to change my contribution amount.

Annual Health Care FSA Contribution: \$ _____

Annual Dependent Care FSA⁸ Contribution: \$ _____

Annual Limited Purpose FSA⁹ Contribution: \$ _____

Please note: Your FSA annual election cannot be reduced below the amount of payroll contributions already deducted or claims submitted for the calendar year if it would result in a negative balance, and the change must be consistent with the qualifying event. If you do not use your FSA contribution at the end of the plan year, then you will forfeit the funds (rollover rules may apply). You will not be refunded for any unused FSA contributions. Additionally, benefit changes may take up to 1-2 pay periods to process.

⁸ Dependent Care FSAs are used for child/daycare services for dependent children up to age 13 or a qualified handicapped spouse or dependent child/tax dependent.

⁹ Limited Purpose FSAs are for employees that are enrolled in the HSA-Eligible Plan and are contributing to an HSA.

Please note: Federal non-discrimination guidelines require the University of Rochester to test Dependent Care FSA annually to ensure highly compensated employees, as defined under IRS guidelines, do not disproportionately contribute to the Dependent Care FSA. Highly compensated employees, who earned over \$130,000 in the 2021 Plan Year, may have their FSA maximum contribution amount reduced if the test results do not meet federal guidelines. If applicable, you might consider dividing your desired annual maximum contribution between you and your spouse/partner.
