

2024 HONOREES

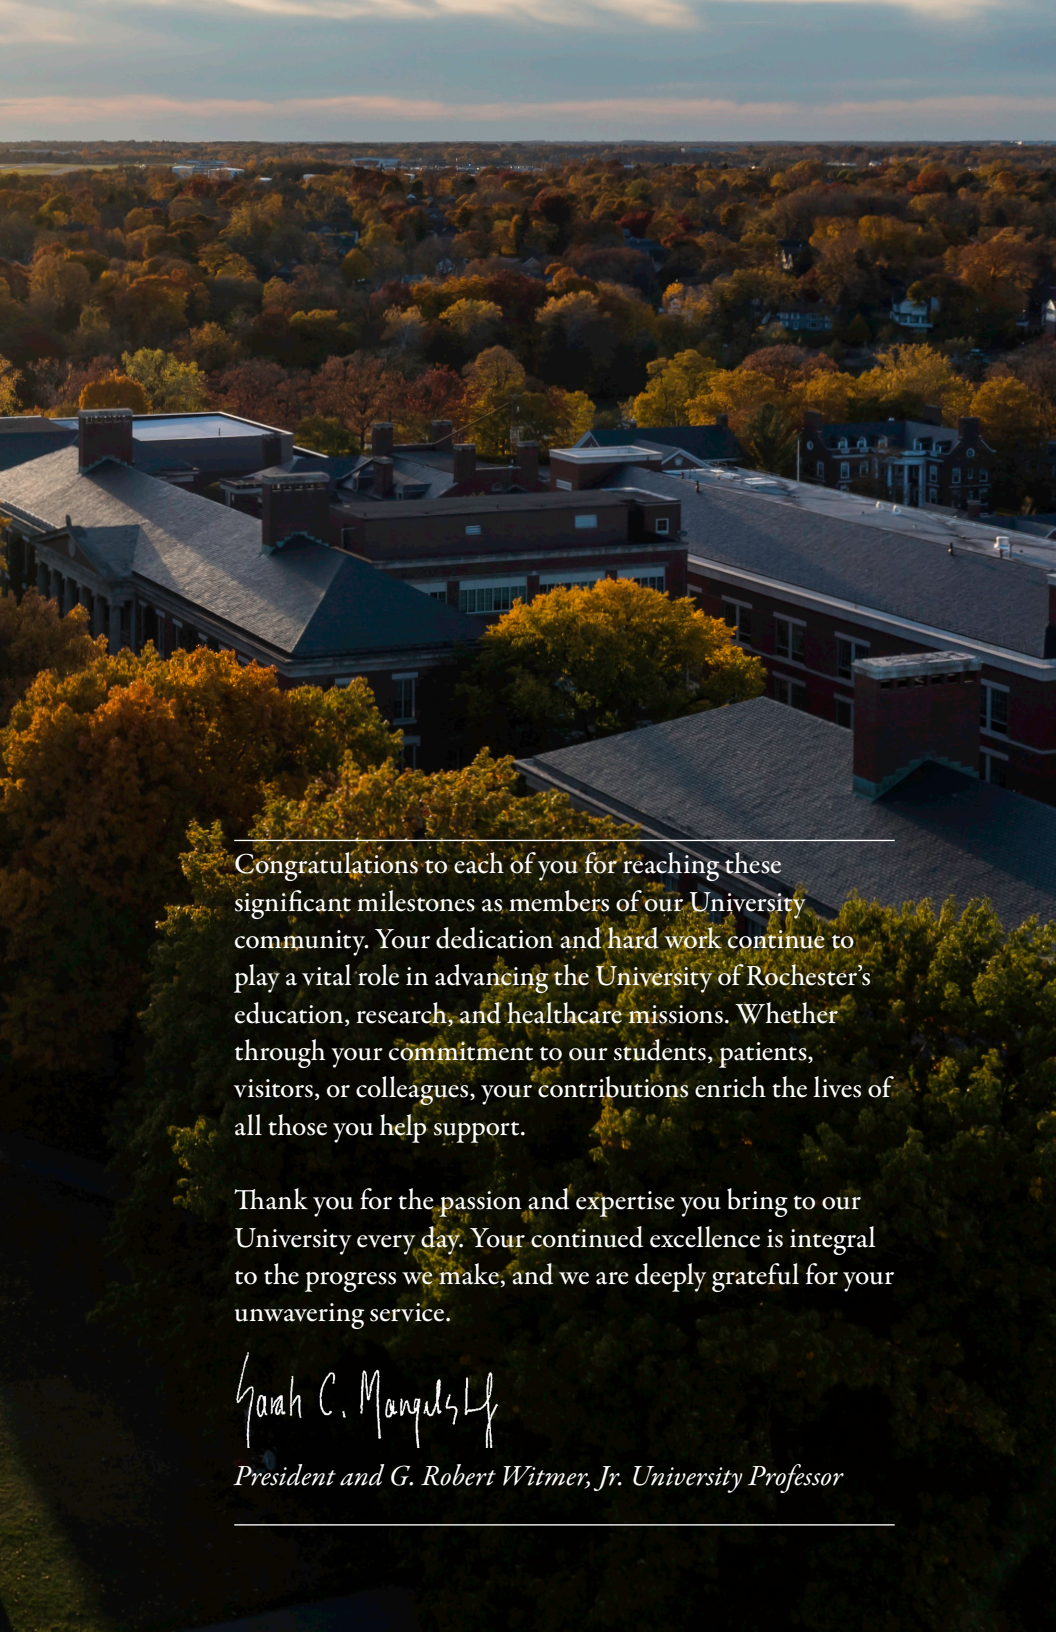

STAFF SERVICE AWARDS

UNIVERSITY of
ROCHESTER

An aerial photograph of the University of Rochester campus during autumn. The image shows several large, multi-story brick buildings with dark roofs, interspersed with trees displaying vibrant yellow and orange foliage. The background is a dense forest of trees with similar autumn colors, stretching towards a distant horizon under a soft, hazy sky.

Congratulations to each of you for reaching these significant milestones as members of our University community. Your dedication and hard work continue to play a vital role in advancing the University of Rochester's education, research, and healthcare missions. Whether through your commitment to our students, patients, visitors, or colleagues, your contributions enrich the lives of all those you help support.

Thank you for the passion and expertise you bring to our University every day. Your continued excellence is integral to the progress we make, and we are deeply grateful for your unwavering service.

Garah C. Mangulof

President and G. Robert Witmer, Jr. University Professor
