Certification for Serious Injury or Illness of a Veteran for Military Caregiver Leave under the Family and Medical Leave Act

U.S. Department of Labor
Wage and Hour Division

WAGE AND HOUR DIVISION

DO NOT SEND COMPLETED FORM TO THE DEPARTMENT OF LABOR.
RETURN TO THE PATIENT.

OMB Control Number: 1235-0003
Expires: 6/30/2023

The Family and Medical Leave Act (FMLA) provides that eligible employees may take FMLA leave to care for a covered veteran with a serious illness or injury. The FMLA allows an employer to require an employee seeking FMLA leave for this purpose to submit a medical certification. 29 U.S.C. §§ 2613, 2614(c)(3). The employer must give the employee **at least 15 calendar days** to provide the certification. If the employee fails to provide complete and sufficient certification, his or her FMLA leave request may be denied. 29 C.F.R. § 825.313. Information about the FMLA may be found on the WHD website at www.dol.gov/agencies/whd/fmla.

SECTION I – EMPLOYER

Either the employee or the employer may complete Section I. While use of this form is optional, it asks the health care provider for the information necessary for a complete and sufficient medical certification. **Recertifications are not allowed for FMLA leave to care for a covered servicemember. Where medical certification is requested by an employer, an employee may not be held liable for administrative delays in the issuance of military documents, despite the employee's diligent, good-faith efforts to obtain such documents.** In lieu of this form or your own certification form, you **must** accept as sufficient certification of the veteran's serious injury or illness documentation indicating the veteran's enrollment in the Department of Veterans Affairs Program of Comprehensive Assistance for Family Caregivers. **You may not ask the employee to provide more information than allowed under the FMLA regulations, 29 C.F.R. § 825.310**.

Employers must generally maintain records and documents relating to medical information, medical certifications, recertifications, or medical histories of employees or employees' family members, created for FMLA purposes as confidential medical records in separate files/records from the usual personnel files and in accordance with 29 C.F.R. § 1630.14(c)(1), if the Americans with Disabilities Act applies, and in accordance with 29 C.F.R. § 1635.9, if the Genetic Information Nondiscrimination Act applies.

SECTION II - EMPLOYEE and/or VETERAN

The FMLA allows an employer to require that an employee submit a timely, complete, and sufficient certification to support a request for military caregiver leave under the FMLA due to a serious injury or illness of a covered veteran. If requested by the employer, your response is required to obtain or retain the benefit of FMLA-protected leave. The employer must give an employee **at least 15 calendar days** to return this form to the employer. 29 U.S.C. §§ 2613, 2614(c)(3).

It also includes providing psychological comfort and reassurance which would be beneficial to the veteran who is receiving inpatient or home care.

A complete and sufficient certification to support a request for FMLA military caregiver leave due to a covered veteran's serious injury or illness includes written documentation confirming that the veteran's injury or illness was incurred in the line of duty on active duty or existed before the beginning of the veteran's active duty and was aggravated by service in the line of duty on active duty, and that the veteran is undergoing treatment, recuperation, or therapy for such injury or illness by a health care provider listed above.
