NOTE: Employees can retire at a part-time status and receive full-time contribution if they cumulatively meet the full-time equivalent service requirement.

Full-Time: for nonexempt job classifications (excluding those in PAS job classifications paid hourly): a regular weekly work schedule of at least 35 hours; for all professional, administrative, and supervisory (PAS) job classifications (including PAS paid on an hourly basis): a weekly work schedule of 40 hours or more; for faculty: a normal full teaching and research load as defined for the faculty by the college or school concerned.

Part-Time: a regular weekly or monthly schedule which is less than that required for full-time status but generally not less than 17.5 hours per week in the case of those in nonexempt and/or professional, administrative, and supervisory (PAS) job classifications. For faculty, it indicates that the individual carries at least half the normal (full) teaching and research load as defined for faculty by the college or school concerned.

The University reserves the right to modify, amend, or terminate the plans at any time, including actions that may affect coverage, cost-sharing, or covered benefits, as well as benefits that are provided to current and future retirees.
