How it works
Our service is tailored to your needs. With network attorneys available in person, by phone or by email and online tools to do-it-yourself — we make it easy to get legal help. And, you will always have a choice in which attorney to use. You can choose one from our network of prequalified attorneys, or use an attorney outside of our network and be reimbursed some of the cost.1

Best of all, you have unlimited access to our attorneys for all legal matters covered under the plan. For a monthly fee of $18.25 conveniently paid through payroll deduction, an expert is on your side as long as you need them.

Estate planning at your fingertips
Our website provides you with the ability to create wills, living wills and powers of attorney online in as little as 15 minutes. Answer a few questions about yourself, your family and your assets to create these documents instantly. In states where available, you also have access to sign and notarize your documents online through our video notary feature.2
