Coverage Period: 01/01/2026 – 12/31/2026 Coverage for: Employee + Family | Plan Type: PPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.rochester.edu/totalrewards or by calling 1-585-275-2084. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.cciio.cms.gov or https://www.healthcare.gov/sbc-glossary or call 1-585-275-2084 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	Accountable Health Partners (AHP): \$500/Employee (EE) Only or \$1,250/EE + Family (FAM) For in network providers: \$1,250/ EE Only or \$3,125/ FAM For out-of-network providers: \$3,000/ EE Only or \$9,000/ FAM	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. In network preventive care and primary care services are covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u> <u>services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No	You don't have to meet deductibles for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	*Salary < \$72,400: AHP: \$2,000/EE Only or \$4,000/FAM; in network providers: \$3,000/ EE Only or \$5,500/ FAM; out-of-network providers: \$5,000/ EE Only or \$10,000/ FAM *Salary ≥ \$72,400: AHP: \$2,750/EE Only or \$5,500/FAM; in network providers: \$4,250/ EE	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.

Important Questions	Answers	Why This Matters:
	Only or \$8,500/ FAM; <u>out-of-network providers</u> : \$6,500/ EE Only or \$13,000/ FAM	
What is not included in the out-of-pocket limit?	Penalties for failure to obtain preauthorization for certain services, premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.excellusbcbs.com or www.excellusbcbs.com or call 1-888-457-7463 (AHP) or 1-800-659- 2808 (Excellus) for a list of network providers .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You pay the least if you use a <u>provider</u> in the AHP network. You pay more if you use an <u>innetwork provider</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.
