TIP OF THE WEEK

Clean and Go Green

Digital Spring Cleaning

Spring cleaning is more than just tidying up around the house.

Over the past year your work computer has been collecting digital dust in the form of countless emails, unorganized files, and a hard-drive filled nearly to its max.

In order to help make your computer and your life more efficient and secure, go to

http://www.rochester.edu/it/security/SpringClean

to get some tips on how to clean up your digital clutter.
