II. GUIDELINES

1. Policy

Solicitation, canvassing, and leafleting on University premises are limited in accordance with the guidelines outlined below. The policy is not intended to infringe on the rights of members of the University as individuals to freely express and exchange views and to associate with others. Rather, the policy is intended to ensure the continuity of University work and operations; to avoid the misuse of University facilities or resources in ways which would impair its non-profit, nonsectarian, independent, and non-political status; and to preserve both the fact and the appearance of the University's impartiality.
