## September Salute

**STANDING VIGIL:** NROTC midshipmen Joseph Finkle '13 of Galloway, N.J. (center), and John Emery '13 of Mexico, N.Y. (right), are joined by Matthew Rogers of Rochester Institute of Technology during a vigil to mark the anniversary of the September 11 terrorist attacks. Students from Rochester-area Naval and Air Force ROTC programs organized the ceremony, standing at attention on the Eastman Quadrangle in shifts throughout the day.
