Monroe Community College

and

University of Rochester

Dual Admission Program Agreement
AN AGREEMENT BETWEEN
MONROE COMMUNITY COLLEGE
AND
UNIVERSITY OF ROCHESTER
TO OFFER A DUAL ADMISSION DEGREE PROGRAM

This agreement establishes a dual admission degree program between Monroe Community College and the College: Arts and Sciences and the School of Engineering and Applied Sciences of the University of Rochester. Students selected for admission to this program will, upon completion of the prescribed sequence of courses leading to an associate degree from Monroe Community College, continue their studies at the University of Rochester with the understanding that they may complete all requirements in the designated baccalaureate degree program within four semesters of full-time study at the University of Rochester.

STUDENT SELECTION
The Office of Admissions at Monroe Community College will be responsible for the selection of candidates for admission to this dual admission degree program. Applicants will be expected to meet the entrance requirements for the appropriate associate degree program at Monroe Community College.

Students may apply for entrance to the dual admission degree program when they submit their application for admission to Monroe Community College or at any time during their first two semesters of full-time study at Monroe Community College. Candidates selected for the program will receive, a letter of admission from the Office of Admissions at Monroe Community College, and a confirmation letter from the Office of Admissions at the University of Rochester establishing their eligibility to matriculate in corresponding baccalaureate programs upon completion of degree requirements at Monroe Community College. In addition, students will be advised by the University of Rochester of any special conditions--such as minimum quality point average--which may affect their eligibility to continue studies at the University of Rochester. The University of Rochester will inform applicants from Monroe, Wayne, Livingston
and Ontario Counties who have not been accepted for freshmen admission to the University of Rochester of the 2+2 dual admission degree program option with Monroe Community College.

**BACCALAUREATEDEGREEPROGRAMS**

Monroe Community College students who enroll in the dual admission degree program may select the following academic majors at the University of Rochester:

*Nursing has been removed*

**GPAREQUIREMENTS**

The minimum grade point average at Monroe Community College which associate degree graduates must attain for transfer to the University of Rochester under this
agreement shall be mutually agreed upon by both institutions and so noted on the degree
guide sheets. The grade point average may vary depending upon the particular baccalaureate
degree being sought.

STUDENT ACADEMIC ADVISEMENT

Monroe Community College staff will assume responsibility for advising students who enroll
in the dual admission degree program. Students enrolled in the dual admission degree program
are also required to meet with a representative from the University of Rochester office of
admissions annually. Guide sheets will be used as the mechanism for communicating degree
requirements to students. Course equivalencies and advanced placement policies will be
reviewed periodically and appropriate revisions made as each institution adds, deletes, or
changes course offerings.

Staff members from Monroe Community College and the University of Rochester will establish
a special advisement session for dual admission degree students, where members of the University
of Rochester admissions staff will be available to provide on-site /off-site guidance. In addition,
the University of Rochester agrees to provide an annual training session for faculty and staff at
Monroe Community College who will be involved in consulting with and advising students
enrolled in this dual admission degree program.

APPLICATION PROCEDURES

Monroe Community College students interested in this dual admission degree program must
indicate their intent to participate in the program within the first thirty-four credit hours, (i.e.,
first full year of full-time study), at Monroe Community College. Such participants are not required
to file an application for admission to the University of Rochester; however students who
anticipate enrollment at the University of Rochester under the auspices of this agreement must
file a Notice of Intent to Enroll with the Office of Admission at the University of Rochester one
semester prior to matriculation at the U of R. For the fall term, the Notice of Intent should be
on file by March 15; for the spring term it should be on file by October 1. When a student is
ready to complete the process the Intent to Enroll Form is available on the University of
Rochester's website at:

http://www.enrollment.rochester.edu/admissions/apply/transfer

Besides the Intent to Enroll Form students should send a resume and official copy of their transcript to the University of Rochester's Admissions Office. If a student is looking to receive credit for AP/IB exam results, students must request official AP or IB exam results to be sent from the testing agency. Any student who intends to apply for Financial Aid should also complete the required documents by either March 15 or October 1, depending on what semester they are looking to matriculate.

An $800 enrollment deposit will be required of all students enrolling at the University of Rochester. Depending on a student's financial need, a deposit waiver may be granted after review of a student's financial aid information. The deposit will be put toward tuition and fees.

INFORMATION SHARING

Monroe Community College will provide the University of Rochester with periodic reports so that officials at each college can monitor the flow of students through the program. Biographic data on each student will be provided to the admissions staff at the University of Rochester so that literature and other relevant programmatic information can be sent to students while they are attending Monroe Community College.

Monroe Community College will provide the relevant application data needed for the establishment of student records at the University of Rochester, including a copy of each student's official Monroe Community College transcript. Student participants will be required to provide an official copy of transcripts from all other colleges attended prior to matriculation at the University of Rochester. The University of Rochester will provide reports to Monroe Community College on a semester basis on the academic progress of students who subsequently matriculate at the U of R. All students participating in this program must sign a Statement of Consent authorizing release of all appropriate academic and biographic information.
CHANGES IN DEGREE REQUIREMENTS
Dual admission degree students who separate from either institution and subsequently resume their studies will be subject to the curricular requirements and policies in force at the time that they resume their studies. Students enrolled in this program who maintain continuous registration, will not be affected by any changes in the provisions of the agreement.

TIME FRAME AND PROVISION FOR PROGRAM REVIEW
All students currently enrolled at Monroe Community College and those admitted to begin their studies at Monroe in Fall 2018 through Spring 2021 are eligible to be considered for this dual admission degree program.
