

The University of Rochester offers coursework at multiple locations as identified on the chart below. These locations and offerings are current as of **July 2020**.

Please note that the Middle States Commission on Higher Education (MSCHE) defines an **Additional Location** as a domestic or international facility or location that is geographically separate from the main campus and at which the institution will offer at least 50% of an educational program that is credit-bearing or title IV eligible.

MSCHE defines an **Other Instructional Site** as a location at which the institution offers one or more credit-bearing or title IV eligible courses, but less than 50% of a degree program.
