Waitlist Housing Information

The Waitlist housing application for the 2025-26 academic year will be available 5/01/2025.

Your Housing Application is not complete until you select a meal plan and sign the contract.

Information for Transfer Students, Returning from Leave, and those who did not participate in Room Selection: On-campus living is very popular at UR and residence hall housing is in high demand. While we will do our best to house all interested students, we cannot guarantee housing for transfer, reactivated, readmitted

The residency requirement is waived for reactivated and transfer first-year and sophomores when housing space is not available.

The deadline for priority consideration is 6/01/2025. Applications are considered based on the date received and the availability of housing. Once you accept a housing offer, you are entering into a legally binding housing contract.

On-campus housing is guaranteed to Exchange students.

Because your housing is guaranteed, Exchange students will not have the ability to accept or decline offers. It is imperative that you include multiple building and room style choices and list any special notes/requests on the application.

Meal Plans

All students (first-year through seniors) must be on a meal plan even if living off-campus or commuting from home. If a student opts to live off-campus or lack of on-campus housing availability requires a student to live-off campus, the student will be billed for the commuter dining option. Once a student accepts a housing offer, they will have 5 business days to reach out to Dining Services to change their meal plan.

Commuter Students: If you plan on living off-campus and commuting for 2025-26, the deadline to select a meal plan is 5/02/2025. Click the link below to access the Off Campus Dining Plans: [Off Campus Dining Plans](#)

For answers to any questions concerning meal plans, please email: mealplans@services.rochester.edu.
