Waitlist Housing Information

The Waitlist housing application for the 2026-27 academic year will be available 5/01/2026 for transfer students and those who did not participate in the lottery.

Your Housing Application is not complete until you select a meal plan and sign the contract.

If you will be a Residential Advisor, D'Lion, Fellow, or live on a sorority, fraternity, special interest floor/house, you are required to complete the waitlist housing application. There will be special instructions for you to indicate where you will be living on the Join Waitlist page.

On-campus living is very popular at UR and residence hall housing is in high demand. While we anticipate being able to send all students on the waitlist housing offers, be aware it might not be for your top preferred buildings and room types.

The deadline for priority consideration is July 1, 2026. Applications are considered based on the date received and the availability of housing. Once you accept a housing offer, you are entering into a legally binding housing contract.

Meal Plans

All students (first-year through seniors) must be on a meal plan even if living off-campus or commuting from home. If a student opts to live off-campus or lack of on-campus housing availability requires a student to live-off campus, the student will be billed for the commuter dining option.

Once a student accepts a housing offer, they will have 5 business days to reach out to Dining Services to change their meal plan.

Commuter Students: If you plan on living off-campus and commuting for 2026-27, you would not continue with this housing process. However, you will need to select a commuter meal plan via the link below.

Housing Options

We offer traditional corridor style housing, suite style housing, and apartment style housing. Students can live independently or with two to five friends in a variety of options in our on-campus housing.

HOUSING LOCATION DESCRIPTIONS

THE QUAD - BURTON, CROSBY AND TIERNAN HALL

Average Single = ~8' x 14' | Average Double = ~15.5' x 14'
(some variance between buildings)

Students are most familiar with this set up: long corridors, communal style bathrooms, mostly double rooms and a few singles. The Quad is the closest to academic buildings. The first and second floors of Burton and Crosby have gendered bathrooms and one all-gender bathroom (not individual use). Tiernan Hall has gendered bathrooms on each floor, as well as an all-gender bathroom on first floor. Tiernan floors 3 and 4 will be open for students to select during the housing lottery.

These halls feature a small common use kitchen on each floor. Small floor lounges are attached to the kitchens. They do not have elevators but do have entrances on at least two different levels.

All rooms in Burton and Crosby have sinks. The third floor rooms have slightly slanted ceilings due to the architecture of the halls.

No rooms in Burton, Crosby or Tiernan are carpeted. All of the buildings feature wood molding around doors and windows giving a warm and unique feel to the halls.

Gender (this will be visible when roommates search for you) **(Required)**

The below two questions will not be shared with potential roommates or other students. They will be reviewed by Residential Life Staff members only.

Gender-inclusive housing seeks to provide an environment that is welcoming to all gender identities and is not limited to the traditional gender binary (men and women). We recognize that transgender people are included in all of the gender options provided above. Due to restrictions within the software, we are limited in the options we can offer and it is not possible to select multiple options. We added the "transgender person" option for those who wish to indicate this part of their identity. Based on student feedback, we have added a question that allows students to indicate more about their gender than the check boxes allow so that we are able to create roommate pairings that create the best possible experience for students of all genders.

Gender Comfortable Living With **(Required)**

If you identify as a member of the trans or non-binary community, please share any information you would like staff to have (ex: if you would like to share that you are a trans man or trans woman).

Housing Application/Contract

Before submitting the housing contract, it is imperative that all students read the entire 2026-27 Residential Life Housing Contract located below.

Students are responsible for knowing and following all policy and fire safety information. Failure to do so may result in conduct action, fees, or removal from residential housing.

As a reminder, the housing contract is not binding until you accept a housing offer.

By entering your Student ID number below you acknowledge that you have read, and understand, the above contract and agree to the terms.

9. Join Waitlist

This page has options for the buildings for which you may join the waitlist. You may return to edit the waitlist portion of the application at any time until you accept a housing offer.

You may join multiple waitlists but can only select one at a time. Click "Select Wait List" for the style you want to join, then click "Save & Continue." To add another list, click "Join Waitlist" in the side navigation to return to that page. Repeat this process until you have selected every waitlist you are interested in.

We strongly encourage you to join as many waitlists as you want. It'll increase your chances of receiving a housing offer. If you accept a housing offer, you may submit a room change request form if you're still interested in other areas.
