

Graduate Housing Rent Adjustment Plan

The Office for Residential Life and Housing Services

What is the graduate housing adjustment?

Leaseholders in Graduate and Family Housing (Goler, Whipple Park, and University Park) are eligible to receive an adjustment to their monthly rent for the period when the University was officially in remote learning mode and if the leaseholder was not living in their apartment during this period. The period was from January 8- January 28, 2022. This is equivalent to a 75% adjustment for the January rent.

Who qualifies?

Current leaseholders who can provide proof that they were not living in their apartment during the remote period.

How do I apply?

Leaseholders must complete the application/affidavit form, submit acceptable documentation, and sign an attestation that they were not in their apartment during the remote period. The Office for Residential Life will review all applications and receipts to determine eligibility. Residential Life reserves the right to confer with the different colleges if there is a question about a leaseholder's eligibility.

What is acceptable documentation?

Acceptable proof includes airline receipts with the leaseholder's name/family name, travel destinations, and dates. Other options include bus tickets and gas receipts, but each must show the leaseholders name, dates, and locations.

What is the deadline for submission? Where do I submit the application/affidavit?

The application/affidavit will be available for download/printing on the Residential Life website at <https://www.rochester.edu/reslife/graduate/>. Scan and email the completed application/affidavit and documentation to UAPTS@reslife.rochester.edu. The deadline for submission is March 1, 2022.

**Graduate Housing Rent Adjustment Plan
Application/Affidavit Form**

Name: _____

URID: _____

College: _____
