Emergency Information
- In case of an emergency, call Public Safety at (585) 275-3333 or DIAL 911 and let the dispatcher know you are on UR Campus.

Illness or Injury
- In the event that you become ill or injured and need help, notify your RA/ the RA on duty.
- In case of an emergency, call Public Safety (585) 275-3333.
  - The Medical Emergency Response Team (MERT) and a Security officer will respond. They will dispatch an ambulance as needed.

In the Event of a Fire
- Safely evacuate the building when you hear the building fire alarm or the smoke detector in your room. Use the stairwells. Be sure that you know their location. NEVER USE AN ELEVATOR IN THE EVENT OF A FIRE!
- If you see smoke, then pull the building fire alarm, safely evacuate the building, stand at least 30 feet from the building and then call to notify Public Safety.

Lockouts
- Carry your keys, and UR ID with you at all times.
- If you are locked out and your suitemates are not around, then you may borrow a loaner key for up to 24 hours from the Area Office (112 Gale House).
- The RA on duty will let you in during duty shifts (8pm-2am).
  - Our staff will only let in the resident(s) officially assigned to the room/suite regardless of the circumstances.
  - After 2am please call Public Safety for lock outs.

Personal Safety
- Always lock your room and apartment/suite door and carry your ID card with you.
- Do not prop main doors. Propping main doors endangers everyone who lives in the area.
- When walking on campus, it is good to use the “buddy system.”
- Additionally, a campus escort service is available evenings by contacting Public Safety.
- Note the location of the Blue Light Emergency Phones which give you direct access to UR Public Safety.
• If you are ever the victim or witness of a crime, call Public Safety.

Room Changes
• All room changes require prior approval from the Central Residential Life Office located in 020 Gates (Susan B. Anthony Hall), in order to assure proper billing and accurate housing files.
• Once permission is granted, please complete the room change within 48-hours, return all keys, and paperwork to the Area office in order to avoid additional charges.

Roommates/Apartment-mates/Suitemates
• Please speak with your RA if you need assistance mediating a dispute or any problems between the people with whom you live.
  o Disputes such as but not limited to: cleanliness, guest policy, noise etc.
• It is encouraged that you have a conversation with your roommate(s) about what is bothering you. People are not mind readers and, therefore, cannot know you are upset with them if you do not talk about it.
• If you believe that completing a “shared living agreement” form would benefit you and your roommate(s), please ask your RA for one.

Cooking
• There are kitchens in the apartments. Residents are responsible for cleaning the kitchen regularly and working out schedules for kitchen sharing.
• You are permitted to have small kitchen appliances that make sense to use in a kitchen (toaster, blender, ext). You may not use these appliances outside of the kitchen.

Student Furnishing
• Do not remove furniture from your room and/or living area.
  o If you are missing furniture at the end of the year and it was not originally documented as missing, you will be charged for the replacement.
• Do not take furniture out of the lounges or other public spaces.
• Personal mattresses are not permitted unless approved by 020 Gates and Disability Services and Support, (585) 876-5075.

Storage
• There is no student storage available.
  o All student possessions must be removed from all areas at the time of your check-out.
• Failure to remove items from your area will result in an Abandoned Property charge on the overall condition of the vacated room/suite.

Trash & Recycling
• All residents are responsible for removing their own garbage and recycling from their rooms, apartments, and suites.
• Trash chutes are located on each floor for garbage disposal.
  o Pizza boxes and other large items must not go down the chutes or placed in hallways. Putting boxes in the trash chutes will case the trash to become stuck in the chute.
  o Take large items to appropriate areas for disposal.
  o Do not leave bags of trash on the floor in the trash chute room; doing so will not only make the hallway smell like trash, but will also attract mice.

Facilities
• RMI is the property management company for Southside.
• If you need something fixed in your apartment, please contact RMI at 585-271-7604. You can also submit a paper work order request by filling out the slips in the Valentine lobby.
• If you experience a water leak, loss of power, or other urgent disruption of services, call the RMI number and the RA on duty. If this occurs after hours, the RMI customer service representative will still submit a work order and help determine if on-call personnel should be alerted. Please remove personal belongings from the area that needs repair. In the event of an emergency, staff may need to enter your room.

Pest Control
• For routine or priority concerns, call EHS at (585) 275-3241.
• Complaints of roaches, mice, ants, flies, bees (outside), and most other pests, especially if outside, can generally be considered a routine call and can be called into the EH&S phone mail for service the next working day.
  o Also they do not provide the service of removing dead mice from traps after normal working hours.
  o The complainants can throw away the entire trap and they will set a new one the next working morning.
• Priority pest problems include: a bat in an unoccupied space or hallway, bees confined to a room that can stay unoccupied for a period of time, birds inside occupied space (however, where there are very high ceilings there may be little they can do about it), wild animals outside acting strangely, and bed bugs.
For emergency pest control issues, call DPS at (585) 275-3333. Emergency pest control issues include: a confirmed raccoon, squirrel or skunk inside a habitable space, a bird or bat in any enclosed and occupied space where the occupant must remain, a rat (confirmed rat, not a mouse) in an occupied space, or a swarm of bees inside an occupied room where the occupant must remain.

Bike Storage
• Bike racks are available outside of Southside at various locations.
  o Bikes left after you have departed for the semester will be considered abandoned property.

- Laundry facilities are available in the basements of Valentine and DeKieweit.
  - Laundry is pre-paid and included in your housing fee.
- Machines that are out of order should be reported directly to the Services Division (x5 VEND).

Residential Life Policy Information

The following is a partial listing of the policies of most day-to-day concern for residents. For more information please refer to the University Residential Life and Center for Student Conflict Management Websites.

Fire Safety
- Candles, incense, propane, charcoal, lighter fluid, fireworks, or any open-coil and open-flame devices are not allowed in our halls.
- Please be aware of everyone’s safety. If you cover a smoke detector you are endangering the lives of everyone else.
  - Violations of this kind may lead to removal from housing.

Fire Equipment
- Every room/suite/apartment has a smoke detector and every floor is equipped with a pull station.
  - Tampering with any of this equipment endangers all residents.
- Do not cover the smoke detector, hang things from it, or in any way hinder the unit from working.
  - Penalties for tampering with or for pulling a false alarm may include removal from housing, fees, and/or criminal charges.
  - This includes failure to evacuate the building during an alarm.

Quiet and Courtesy Hours
- Quiet hours are in effect Sun – Thurs, 12am to 8am.
- Fri and Sat quiet hours are 2am to 10am. Courtesy hours are 24 hrs a day.
- Please note: A resident’s right to study or sleep takes precedence over another’s right to make noise.

Alcohol and Drugs
- The legal drinking age in New York State is 21 years of age.
  - Residents of legal drinking age may consume alcohol in the privacy of their room and/or in their suite with other of age peers.
- Underage drinking is a violation of State law and University policy.
  - Residents who violate the law and the policy will be subject to disciplinary action.
- Funnels, beer-pong (Beirut) tables, other drinking game paraphernalia, kegs, mini-kegs, beer balls, boxed wine, and other multi-serving containers are also PROHIBITED.
- Hosts are responsible for the behavior of their guests at all time.
  - Please consult the Alcohol Policy for these standards.
- All illegal substances (any drug not prescribed to you) and all drug paraphernalia are PROHIBITED.
While marijuana is legal in NY state, it is still federally illegal; therefore, marijuana is a prohibited drug.

Social Gatherings
- Parties are NOT PERMITTED in the apartments.
- Parties are defined by behavior and atmosphere, as well as excess of room occupancy.
  - While we encourage our residents to be social, they should do so without breaking any University, State, or Local laws (including, but not limited to underage drinking, drinking games, and/or noise policies).
  - Social gatherings will be asked to disband if there are any disturbances to the community.
- The amount of people in your apartment at one time can never be greater than double your apartment size plus one.
  - For example, a three-person apartment cannot have more than seven people at one time.

Pets (Fish Only)
- No air-breathing pets allowed. The only pets allowed will be fish in a small aquarium (no larger than a 5 gallon tank).
- Dogs, cats, rabbits, ferrets, insects, spiders, and snakes are strictly prohibited in student housing.
  - Consequences for breaking this policy could include removal from housing.

Smoking
- University of Rochester is a smoke free campus including the undergraduate residence halls and apartments.
- You may NOT smoke in your room, suite, or bathroom.
- If you choose to smoke outside, please use the designated smoking areas [http://www.rochester.edu/tobaccofree/]

Vandalism
- Replacement/repair costs for damage in community building areas (hallways, stairwells, foyers, etc.) may be divided among the residents of the building if the responsible parties cannot be identified.
- Vandalism is preventable. If you see a community member vandalizing property, address them and report it to your RA/the RA on duty.

Damages/Cleaning
- To maintain proper health and sanitation requirements please make sure to clean your apartment and your room.
  - Failure to do so may result in additional cleaning fees.
This billing includes removal of trash left after check out.

- Your apartment should be left in move-in ready condition (thoroughly cleaned and vacuumed) when you move out. Failure to do so may result in cleaning fees.

Visitation

- Guests may visit for up to 72 hours at a time with PRIOR approval from all roommates/suitmates.
  - Please note: A resident’s right to privacy (be it a roommate or a suitemate) takes precedence over another’s right to visitors.
  - Visitors may be asked to leave immediately if policies are being broken.
  - Please communicate with your room/suitmates before inviting guests into your room/suite.
  - Cohabitation is prohibited.

Bar-be-cues

- Charcoal grills and gas grills are permitted but MUST be used 30 ft. away from the buildings.
- Please store all flammable material off campus or buy-and-use immediately.
- The owner of the grill may be subject to disciplinary action if not in compliance with UR policies.
  - For more information please review our Environmental Health and Safety guidelines: [www.safety.rochester.edu](http://www.safety.rochester.edu)
