Overview of the Housing and Dining selection process

There are actually three steps to the housing and dining selection process. The first step is to complete an on-line housing application. The second step is to select a room on-line. And the final step is to select a meal plan on-line.

You must be financially clear to submit an application. If you are not, you will not be able to submit an application.

The room selection process is still based on class year seniority. There are selection days and times during the week of April 16 – 19, 8am to 6pm. Rising seniors will receive the earliest days and times to select their room, followed by rising juniors and then by rising sophomores. Within class year, days and times are randomly assigned. Every student who submits a housing application will have a selection day and time assigned. This will be available on the student’s Residential Life and Housing Services Student Homepage on April 13th.

Students will have access to all housing types at the time they select their room – depending on remaining availability and roommate designations. The general rule of thumb is that you must have the right number of students to fill the room type that you want to select – you must have six students to fill a six person suite, four students to fill a four person apartment or suite, three students to fill a deKiewiet 3-bedroom apartment, etc. Exceptions are made for students who aren’t able to select a single – they can select a double and a roommate will be assigned.

Integral to the selection process is the ability to designate roommates, suitemates and apartment mates during the application submission. Each student will designate the other students they are interested in living with. There must be a mutual roommate request in place for each student – once they have selected you as a roommate, you will see a note that the mutual request is confirmed. If you are planning to select a single, you will not designate roommates. Please note: if a friend is not financially clear, they cannot submit an application and you cannot select them as a roommate. Be sure everyone in your group/pairing is financially clear.

Once the room selection process is underway, students who have decided they want to live together need to determine who among them has the best selection day and time. The student with the earliest day and time will be able to look at remaining available spaces and pull all confirmed students into the housing space selected. For example, Student A has a selection time of Wednesday, at 4:02pm. Students B, C, D, E and F are all confirmed roommates. At 4:02, Student A logs in and checks 6 person suite availability in Anderson Tower. Student A selects Anderson 410 and assigns them self to a specific room and each remaining roommate is then randomly assigned by the system to the spaces in the suite. Each of the 6 students will receive confirmation of the building and room and will be prompted to go on-line to select a meal plan appropriate to the building. Since a room has already been selected on their behalf, students B, C, D, E and F will not need to select during their own lottery time. A form will be emailed to students who select suites and apartments that will allow specific rooms to be designated. It will also be available on the Residential Life website.

Rules

**Eligibility for Housing:** Only students with class years of 2019, 2020, 2021 and 2022 are eligible for housing. **Take 5, e5 (formerly KEY) and other fifth year program or need students are not eligible for housing.**

**Financial Clearance:** Students with financial holds are not eligible to participate in the room selection process. Notices will be emailed to students with holds during the week of March 19th. Students have until April 11th to clear their accounts. The online application process will flag and bar any student with a financial hold from submitting an application. If you try to submit an application and you are not financially clear, you will receive this message:
On Campus Requirement for first-year students and sophomores: Students in classes 2021 and 2022 are required to live on campus unless living at home with parents or a close relative. The Office for Residential Life will only consider exceptions in the case of a medical recommendation or severe financial hardship. Check with the Office for Residential Life and Housing Services for more on the appeal process.

Selecting Alone: Students entering alone may select either a single or a double.

Selecting as a Group: You must have the correct number of roommates, apartment mates or suitemates to fill suites, apartments and center doubles. You must mutually request each other.

Mutual requests: If you wish to live together in any of doubles, suites, apartments or center doubles, you must mutually request each other. If you fail to do this, you may not get to live together.

Lottery Day and Time: Every student who submits a housing application will receive a selection day and time (posted on the Webhousing homepage on April 13th). For those selecting alone, login and select your room at the appointed day and time. For those selecting as groups for rooms, suites and apartments, the student with the best selection day and time should select the housing for the group. All students in the group will be pulled for that housing. The “option to select” starts at the appointed time and remains open until the student selects.

Juniors and Seniors Only: Riverview, Brooks Crossing and Maisonettes

Doubles, Doubles in Suites and Center Doubles can be coed on coed floors. See Gender Inclusive housing policy and contract housing@reslife.rochester.edu for details on how to manage this during the room selection process.

Suites and Apartments

In the housing selection process, the student who selects the apartment or suite will be able to select the specific room they want to be in. All the rest of the students in the apartment or suite will be assigned randomly by the housing lottery software. If the room assignments are fine, there is no need to submit this form.

However, if students want to be assigned to specific rooms in a suite or apartment, this form must be completed and returned to the Office for Residential Life and Housing Services by Friday, May 4th.

Please be sure to indicate building and apartment/suite number. Each student’s name must be printed and a signature obtained so that we can confirm that everyone is in agreement with the proposed changes. Residential Life will then make the actual room switches.

Remember: this form is due to Residential Life and Housing Services, 020 Gates Wing, SBA by Friday, May 4th.
