

ROOM ASSIGNMENT FORM- Unassigned After Lottery 2020-21 Room Selection

Spaces in the residence halls will become available during the summer (from study abroad students, transfers, inactives and withdrawals) so that all students who participated in the 2020-21 room selection process can be assigned. Please be sure to include an email address that you check regularly since the Residential Life Office will communicate with you through email.

1. Rank order (1,2,3, etc.). Please rank all applicable choices for occupancy in a vacancy, as indicated:

- Quad (Burton, Crosby, Lovejoy, SAM House) – vacancy in a double room
- Anderson & Wilder Towers – vacancy within a suite or center-double
- O'Brien Hall – empty space in in a double room
- Hill Court – empty space in a suite
- deKiewiet and Valentine (Southside) – vacancy in an apartment
- Maisonettes (Southside) – ***Juniors and Seniors only*** – vacancy in aa apartment
- Riverview – ***Juniors and Seniors only*** – vacancy in an apartment
- Brooks Crossing – ***Juniors and Seniors only*** – vacancy in an apartment

2. Check only one of the two choices below:

- Receiving an assignment to a preferred residence area is of higher priority to me than being assigned with a particular roommate.
- I prefer to be paired with a particular roommate. I understand that this preference may delay my assignment, and that there is no guarantee that my roommate and I will be placed together. (We can try and assign roommate pairs together; we cannot assign 6 students to suites so please break a group of six into groups of two.)

_____ Was this student also unassigned? Y / N

(Print name of only ONE preferred roommate)

Note: Roommate preference MUST be mutually requested to receive consideration for such placement. If the requested roommate chose a room during the housing lottery, they must complete a Room Change Request form before the start summer break (low likelihood that a vacant double room will become available).
