The Quad
Lovejoy, Burton, Crosby and DKE House
Average Single = ~9' x 14'
Average Double = ~15.5' x 14'
(some variance between buildings)

While Gilbert, Hoeing and Tsieman are off limits for upperclass students unless you are an RA, D'Lion or First-year Fellow. Lovejoy, Burton, Crosby and DKE House are options for continuing students.

Students are most familiar with this setup: long corridors, communal style bathrooms, mostly double rooms and a few singles. The Quad is obviously the closest to classes, a real plus for some students. There are no elevators.

The doubles in Lovejoy are pretty big, singles are small. The doubles in Burton and Crosby are a bit smaller than other quad doubles but have the added bonus of an in-room sink (sorry – toilets down the hall). Third floor rooms in both Burton and Crosby have slanted ceilings – charming but if you are very tall, it could be tough.

There are limited kitchen facilities in all buildings. Students must be on a Group 2 meal plan.

DKE will not be operating as a house fraternity this coming year. Because there is only one bathroom with showers, only independent male students will may select rooms in the house. There are double and single rooms. Students living in DKE may select a Group 3 meal plan as there will be kitchen facilities available.

Jackson Court
Anderson, Wilder and O'Brien Hall
Anderson/Wilder Suite Single = 7' x 12'
Anderson/Wilder Suite Double = ~10' x 12'
Anderson/Wilder Center Double = 12' x 12'

In case you haven’t been to this end of campus, check it out. Located beyond Danforth Dining Center, close to Hillside. Home to many Special Interest Housing groups. Anderson and Wilder have mostly suite style setup. Suites typically contain 4 singles and 1 double. The singles are adequate size (long and narrow) – not huge- but they are a space to call your own. The double is smaller but workable – with a little creativity, most students make this work. And besides, you have your own suite common room (fairly large). The bathrooms (Anderson renovated last summer and Wilder scheduled this summer) are shared by all six residents and is cleaned once a week by the ESW. Several suites have been modified to accommodate students with disabilities.

There are also Center Doubles. Two doubles that are joined by a shared bathroom (cleaned weekly) and have separate entrances out to the floor lobby. These rooms don’t have a lounge so you’ll need to make friends with others on the floor. These doubles aren’t huge – again some creativity is needed to make it comfortable.

There is a shared kitchen for every floor in Anderson and Wilder. Group 3 meal plan.

Hill Court
Chambers, Fairchild, Gale, Kendrick, Munro and Slater
Suite Single = 8' x 9.5'
Suite Double = 8' x 19'

Mostly 6 person suites with all singles (except the second floor suites that have 4 singles and a double) and a handful of 4 person suites (only 3-4).

All fourth floor rooms have built in lofts that actually make it seem like you have a two story room. Mattresses are placed directly on the loft deck. The singles are adequate size – more square shaped. Some of the furniture in each room is built-in. Each suite has a common room to itself – small but it works. Did we mention that there are shared balconies? There are no elevators in Hill Court buildings.

The bathroom is shared by all six (or 4 in the case of a 4 person suite) residents and is cleaned once a week by the ESW.

There are six 1 person apartments located on the first floor – 2 in Chambers, 2 in Gale and 2 in Munro. They include a bedroom, living room and bathroom. There are kitchen facilities too. Students can be on a group 4 meal plan here. These apartments cost a little more.

Phase (Hill Court) is next to Mt. Hope Cemetery – if you are sensitive about this, pick a suite that doesn’t face in that direction! If you live in Chambers or Gale, there are small kitchenette units (stove top and refrigerator) in the common room. Students in these buildings could be on a Group 3 meal plan if they like. The other 4 buildings require Group 2 meal plans – there are no kitchens.

There are many exciting housing options open to returning students for the 2019-20 academic year. This newspaper includes preliminary information for students about options, how to proceed with room selection for next year and important room selection dates. Final information and specific instructions will be distributed directly to students by their RA/CA/GHA during the week following Spring Break (week of March 18th). Current off campus students must come to the main Reslife Office (020 Gates Wing, SBAH) to be eligible to participate.
**Southside**

*deKiewiet and Valentine Towers, Maisonettes*

Large rooms = ~10’ x 14’
Small room = ~8’ x 10’

Southside has become very popular with students, because of the number of opportunities this area offers.

ONLY Juniors and seniors can consider the Maisonettes (2 person apartments), which are the small houses at the base of the two towers. They include two bedroom rooms (one is large and the other is on the small side). There is a furnished living room and full kitchen. The bathroom is shared.

deKiewiet and Valentine have 2 and 3 bedroom apartments. The apartments don’t have a common room but there is a full kitchen and a bathroom shared by apartment mates. Both bedrooms in the 2 room apartments are good size. In the 3 room apartments, there are two large bedrooms and a small bedroom (its square shaped and can be awkward to configure furniture). But it is a single room! And the price of housing in deKiewiet and Valentine is ~$200 less per semester (the lowest campus housing rate).

Residents are on their own for cleaning – these are apartment set ups. Buy some cleaning supplies!

The Southside Market is located in the basement of deKiewiet Tower. They carry a variety of goods – foods, cleaning supplies, coffee etc.

The walk is the same distance from Southside to Hutch as a walk from Phase (Hill Court) or Jackson Court. Besides, there is bus service (Blue line) or you can hop on the Park Lot shuttle (Silver Line) to get to campus easier than if you had to walk from other areas.

You can have a Group 4 meal plan – great opportunity to save some $$$.

**Riverview Apartments**

*Buildings A, B, C, D, E & G*

(Juniors and Seniors only)

Room size = ~8’ x 10’

Riverview is designed with juniors and seniors in mind. The best thing about Riverview, among many things, is that each student has their own room and bathroom! Most apartments are 2 person or 4 person - there are two three person apartments that may be available.

Whether you have a 4 person apartment or a 2 person apartment, the common space (living room) is good size and the kitchens have stoves, microwaves, refrigerators and …dishwashers! By the way, there is air conditioning in each apartment for the few days you’ll need it in the fall and spring.

Downside, you do need to clean your own apartment – this means the bathrooms too!

Other things to know about Riverview – the walls could be thicker (noise and dents). ResNet service is the same as on campus. UR Public Safety has an office in Riverview (Building F) and their presence is felt in the complex (in a good way!).

Many students use the Gold Line Shuttle to and from campus. While it doesn’t run 24/7, it covers a good portion of the daytime and evening hours until 1 or 2 in the morning. There is weekend afternoon bus service to campus.

We try to be good neighbors with the community residents who live in the neighborhood near Riverview – this neighborhood is called the Plymouth-Exchange Neighborhood (PLEX) and borders on the 19th Ward but is actually a separate neighborhood. You can have a group 4 meal plan—save some money $$$.

While Riverview is one of the most expensive housing options, combined with a Group 4 meal plan, it becomes a good deal. Financial Aid adjusts things to cover the cost of Riverview so you don’t need to worry about that.

**Brooks Crossing**

Brooks Crossing is an apartment style building open to juniors and seniors only. There are one bedroom, two bedroom, three bedroom and four bedroom apartments. In the same style as Riverview, each bedroom has its own bathroom.

Each apartment has a living room and kitchen complete with refrigerator, stove with oven, microwave and dishwasher. The apartments are air conditioned.

Students live on floors 2—11. There are wonderful views of the City and the river. ResNet is available in Brooks Crossing. In the future, there may be a privately owned restaurant on the first floor—this is still to be determined.

The basement has a large programming space and kitchen in addition to a bike storage room. Laundry facilities are located in the basement. The UR Rowing team has a training facility in the basement as well.

Brooks Crossing is similarly priced to Riverview with the exception of the 1 bedroom apartments which will be priced a bit higher. This is a group 4 meal plan building.

Parking for Brooks Crossing is located about a block away—there is no parking near the building.

**Gender Inclusive Housing Policy**

Gender-inclusive housing seeks to provide an environment that is welcoming to all gender identities and is not limited to the traditional gender binary (male and female). We recognize that same-sex room assignments are not ideal or appropriate for all students. Residential Life provides opportunities for students to live in singles in apartments and suites in mixed groups as well as double rooms in suites. This housing option allows students to select roommates regardless of their sex, gender, or gender expression and to broadly choose from the relevant housing options. Unless specific mutual requests are made by the roommates, Residential Life will continue to assign students based on the standard gender binary (male/female). If you are considering a coed room option, please contact the Director of Housing Operations at housing@reslife.rochester.edu.

A transgender student who seeks housing accommodations should contact Residential Life and Housing Services directly. The Director of Housing Operations will work with students individually to review housing options and come up with a supportive housing plan, and will facilitate these housing opportunities through the lottery process. Contact housing@reslife.rochester.edu to begin this conversation.

**Meal Plans**

All students living on campus and off campus must be on a meal plan. For students living on campus, the meal plan is tied to the residence hall or area that you live and relates to the availability of kitchens. The more kitchen facilities, the smaller the required meal plan options. Consider this when selecting your room for next year.

Off campus students are also required to be on meal plans. Off campus students may select any of the residential plans or a commuter meal plan. The website for selecting a meal plan as a commuter student is [https://dining.rochester.edu/meal-plans/](https://dining.rochester.edu/meal-plans/). Off campus students will be able to download the dining application there.

**Medical Accommodations**

Students who may need housing accommodations due to a disability must submit a request through Disabilities Services and Support no later than Friday, April 5th. [https://www.rochester.edu/disability/guidelines-for-accommodation-requests-housing-dining.html](https://www.rochester.edu/disability/guidelines-for-accommodation-requests-housing-dining.html)

**Contract Releases**

Residential Life is not releasing rising sophomores from their two year contract commitment. The only grounds for release are medical and severe financial hardships. For medical accommodations, go to [https://www.rochester.edu/disability/guidelines-for-accommodation-requests-housing-dining.html](https://www.rochester.edu/disability/guidelines-for-accommodation-requests-housing-dining.html) to submit an accommodation request. Disability Services will review and submit a recommendation to the Executive Director, Residential Life.

For severe financial hardship, the Director of Financial Aid must review your case and submit a supporting document recommending release to the Executive Director of Residential Life.

**Looking for a roommate, suitemate or apartment mate?**

Join the UR Housing Lottery 2019 Facebook group to find others looking for roommates, suitemates and apartment mates.
Every eligible student will get detailed information when you get back from spring break. It will be distributed by your RA, CA or GHA. Try to attend your floor/building meetings where lottery information will be discussed. For those students living off campus and wishing to return to campus housing, housing information packets will be available at the Residential Life Office (220 Gales, SBA). The description below generally describes how the process will work for students who will be participating in the regular room selection process.

Please note: If you are in a Special Interest Housing group, Greek group or will be an RA, CA, Freshmen Fellow or D’Ion, you will still need to submit an online application but the room selection process will be different. You will receive special instructions.

There are three steps to the process: The first step is to complete an on-line application, the second step is to select a room on-line, and the final step is to select a meal plan on-line.

The room selection process is based on class year seniority. Each student receives a specific day and time for selection. Rising seniors will receive the earliest days and times to select their room, followed by rising juniors and then by rising sophomores. Within class year, days and times are randomly assigned. Every student who submits a housing application will have a selection day and time assigned.

Integral to the process is the ability to designate roommates, suitemates and apartment mates during the application submission. Each student will designate the other students with whom they are interested in living. There must be a mutual roommate request in place for each student – once they have selected you as a roommate, you will see a note that the mutual request is confirmed. If you are planning to select a single, you will not designate roommates.

Students will have access to all housing types at the time they select their room – depending on remaining availability and roommate designations. The general rule of thumb is that you must have the right number of students to fill the room type that you want to select – you must have six students to fill a six person suite, four students to fill a four person apartment or suite, three students to fill a deKiewiet 3-bedroom apartment, etc. There is only one exception to the “must fill” rule. A single student may select a double room and the remaining space in the room will be filled by another lottery participant or during the summer.

Once the room selection process is underway, students who have decided they want to live together need to determine who among them has the best selection day and time. The student with the earliest day and time will be able to look at remaining available spaces and pull all confirmed students into the housing space selected. For example, Student A has a selection time of Wednesday, at 4:02pm. For example, Student A logs in and checks the 6 person suite availability in Anderson Tower. Student A selects Anderson 410 and then assigns each roommate to a specific room in the suite. Each of the 6 students will then receive confirmation of the building and room and will be prompted to go on-line to select a meal plan appropriate to the building. Since a room has already been selected on their behalf, students B, C, D, E and F will not need to select during their own lottery time. Meal plans must be selected individually.

Juniors and Seniors are eligible to live off-campus!

The Office for Off Campus Living Programs (which is part of Residential Life) provides assistance, education, and support to students who are looking for housing or residing off campus. Contact us at offcampus@reslife.rochester.edu or stop by the Main Reslife Office—020 Gates wing, SBAH.

Living off campus gives students flexibility and a greater sense of freedom. There are many off-campus housing choices in and around the Rochester area. Many students look forward to being part of a neighborhood where they can immerse themselves in all of Rochester’s cultural and social opportunities.

Watch for our new off campus housing database (Places 4 Students). Coming soon to https://www.rochester.edu/reslife/non/index.html.

DO NOT SUBMIT A HOUSING CONTRACT IF YOU PLAN TO LIVE OFF CAMPUS.

Commuter Dining Contract

All off campus students are required to be on a meal plan. There are special commuter plans available - go to https://dining.rochester.edu/meal-plans/. Off campus students will be able to download the dining application there. Edit the document and save your changes. Then save it as a pdf and email to mealplans@services.rochester.edu or drop it off at the ID Office in SBAH.
