Online Housing Application, Room Selection & Dining Plan Instructions

2021-2022

Each eligible student will receive an email with “Getting Started” instructions, dining plan pricing information and a calendar of important dates. Important: Please check the class year in email to confirm your correct class year. If you have questions about your class year, please check with the Office for Residential Life and Housing Services.

Overview of the Housing and Dining selection process

There are actually three steps to the housing and dining selection process. The first step is to complete an on-line housing application. The second step is to select a room on-line. And the final step is to select a meal plan on-line.

The room selection process is still based on class year seniority. There are selection days and times during the week of April 19-23, 8am to 6pm. Rising seniors will receive the earliest days and times to select their room, followed by rising juniors and then by rising sophomores. Within class year, days and times are randomly assigned. Every student who submits a housing application will have a selection day and time assigned. This will be available on the student's Residential Life and Housing Services Student Homepage on April 16th.

Students will have access to all housing types at the time they select their room – depending on remaining availability and roommate designations. The general rule of thumb is that you must have the right number of students to fill the room type that you want to select – you must have six students to fill a six person suite, four students to fill a four person apartment or suite, three students to fill a deKiewiet 3-bedroom apartment, etc. Exceptions are made for students who aren't able to select a single – they can select a double and a roommate will be assigned.

Integral to the selection process is the ability to designate roommates, suitemates and apartment mates during the application submission. Each student will designate the other students they are interested in living with. There must be a mutual roommate request in place for each student – once they have selected you as a roommate, you will see a note that the mutual request is confirmed. If you are planning to select a single, you will not designate roommates.

Once the room selection process is underway, students who have decided they want to live together need to determine who among them has the best selection day and time. The student with the earliest day and time will be able to look at remaining available spaces and pull all confirmed students into the housing space selected. For example, Student A has a selection time of Wednesday, at 4:02pm. Students B, C, D, E and F are all confirmed roommates. At 4:02, Student A logs in and checks 6 person suite availability in Anderson Tower. Student A selects Anderson 410 and assigns them self to a specific room and each remaining roommate to a specific room in the suite. Each of the 6 students will receive confirmation of the building and room and will be prompted to go on-line to select a meal plan appropriate to the building. Since a room has already been selected on their behalf, students B, C, D, E and F will not need to select during their own lottery time.

Rules

Eligibility for Housing - Students in the class of 2024 and 2025 are required to live on campus (residence halls, greek housing, or special interest housing). Juniors (2023) and seniors (2022) are eligible but not required.

For academic year 2021-22 only, students needing or desiring a 5th year in on-campus housing may be considered contingent on the number of students who apply for housing. Interested students should contact Housing@reslife.rochester.edu to submit their name and desire to be part of on-campus housing for the 2021-22 academic year. Class year applications for 2022, 2023, 2024 and 2025 are due April 14th. On April 15th, Residential Life will notify interested 5th year students if there is available space in the lottery. 5th year students will then be entered into the room draw. 5th year students are not eligible for stand-alone singles but will be eligible to be included as part of group housing—suites and apartments

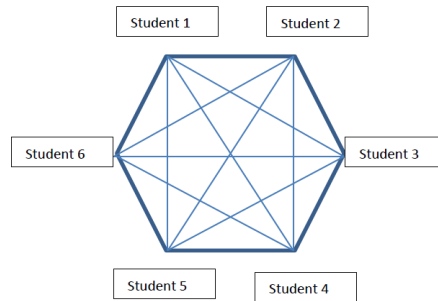

On Campus Requirement for first-year students and sophomores: Students in classes 2024 and 2025 are required to live on campus unless living at home with parents or a close relative. The Office for Residential Life will only consider

exceptions in the case of a medical recommendation or severe financial hardship. Check with the Office for Residential Life and Housing Services for more on the appeal process.

Selecting Alone: Students entering alone may select either a single or a double.

Selecting as a Group: You must have the correct number of roommates, apartment mates or suitemates to fill suites, apartments and center doubles. You must mutually request each other.

Mutual requests: If you wish to live together in any of doubles, suites, apartments or center doubles, you must mutually request each other. If you fail to do this, you may not get to live together.

Lottery Day and Time: Every student who submits a housing application will receive a selection day and time (***posted on the myrescenterweb homepage on April 16th***). For those selecting alone, login and select your room at the appointed day and time. For those selecting as groups for rooms, suites and apartments, the student with the best selection day and time should select the housing for the group. All students in the group will be pulled for that housing. The “option to select” starts at the appointed time and remains open until the student selects.

Juniors and Seniors Only: Riverview, Brooks Crossing and Maisonettes

Doubles, Doubles in Suites and Center Doubles can be coed on coed floors. See Gender Inclusive housing policy and contact housing@reslife.rochester.edu for details on how to manage this during the room selection process.
