

ROOM ASSIGNMENT FORM—Unassigned After Lottery 2021-22 Room Selection

Spaces in the residence halls will become available during the summer (from study abroad students, transfers, inactives and withdrawals) so that all students who participated in the 2021-22 room selection process can be assigned. **Please be sure to include an email address that you check regularly since the residential life office will communicate with you through email.**

1. Rank in order of preference (1,2,3, etc.) Rank all applicable choices for occupancy in a vacancy, as indicated:

- _____ Quad (Burton, Crosby, Lovejoy, SAM House) – vacancy in a double room
- _____ Anderson and Wilder Towers – vacancy within a suite or center-double
- _____ O'Brien Hall – vacancy in in a double room
- _____ Hill Court – vacancy in a single in a suite or double in a suite
- _____ deKiewiet and Valentine (Southside) – vacancy in an apartment
- _____ Maisonettes (Southside) – vacancy in an apartment (***juniors and seniors only***)
- _____ Riverview – vacancy in an apartment (***juniors and seniors only***)
- _____ Brooks Crossing – vacancy in an apartment (***juniors and seniors only***)

2. Check only **one** of the two choices below:

- Receiving an assignment to a preferred residence area is of higher priority to me than being assigned with a particular roommate.
- I prefer to be paired with a particular roommate. I understand that this preference may delay my assignment, and that there is no guarantee that my roommate and I will be placed together. (We can try and assign roommate pairs together; we cannot assign 6 students to suites so please break a group of six into groups of two.)

 (Print name of only ONE preferred roommate)

Was this student also unassigned? Yes No

Note: Roommate preference **MUST** be mutually requested to receive consideration for such placement. If the requested roommate chose a room during the housing lottery, they must complete a Room Change Request form before the start summer break (low likelihood that a vacant double room will become available).

Name: _____

Student ID#: _____

Class Year: _____

Gender: M F Trans Other (please specify): _____
