1. Home Page

After you log in, go to the navigation, and click "Housing Application" at the top.

3. Housing Application

Room and meal plan selection lives in the same application as the housing contract. You will not have access to the items in the contract, except for the roommate selection tools. Click continue to proceed.

4. Click on Continue for Academic Year 2024-2025
5. Groups of 3 or 4

Your options for groups of 3 or 4 will vary based on your class year. Rising sophomores will only have options for 4-person suites (very limited amount) and center doubles. Rising Juniors and Seniors will also have these options, along with options for 3 and 4-person apartments in Riverview, Brooks, and Innovation Square.

For this example we are using a center double. Check out the 5-6 person guide to see what suite selection looks like. Same for apartment selection.

If you want or need to change your group size- You have the ability to add or remove people from your roommate group until you have selected your room. You also have the ability to leave a roommate group on your own.

This page shows all of your options.

On this page, you will assign each person in your roommate group a bedroom. Keep in mind that you have less than 3 minutes to complete this; otherwise, your cart will empty, and you will be brought back to the selection page. There is a one-minute warning.

When you click "select bed," the list of room numbers in the suite will appear. Note: For doubles, there's no difference between a and b; it is simply the room coding that shows it is a double room.
