Summer Housing Rates 2021

Summer stays are offered in two categories: by the summer session or short-term stay by the week up to 3 weeks; one week minimum. All stays must begin 5/24. Once a student leaves housing, they are not eligible to return to housing. We do not offer a per night rate.

*Summer housing applications/contracts will be accepted beginning April 5 until May 14, 2021.*

The application/contract is available at on the Residential Life Summer Housing website.

Summer Housing Locations

Residential Life will be using Riverview buildings C and G, Genesee Hall, Tiernan and Gilbert for summer housing. In apartments, all rooms within an apartment will have students assigned to them. Buildings with air conditioning and/or kitchens will cost approximately $23/night and those buildings without air conditioning will cost approximately $19/night. Priority for air conditioned spaces will go to those students who submit application/contracts by the May 1 priority date and will be here for the full summer session.

Session Rates and Dates

*Note: Due to the current COVID19 Pandemic, summer housing is only open to students who are currently in housing and who will be continuing as students in fall 2021. Graduated students are not eligible to stay in summer housing.*

Students will be required to move out of their current housing into summer housing the weekend of June 5th into their summer assignment. Students will be housed 1 to a room, regardless of whether the room is a single or double.

Short-Term Stays

There is a one week minimum for staying on campus during the summer. All dates must start on 5/24. Student may indicate a specific end date. Summer housing staff will calculate the rate based on the number of weeks housing is needed to the closest full week. Important notes:

**First Week rate: (one week or less stay only)**
$170.00 (Monday – Saturday) if in housing with kitchens/air conditioning, $145 if in housing w/o AC

**Second Week and beyond weekly rate: (multiple weeks up to 3 weeks)**
$161.00 (Sunday – Saturday) if in housing with kitchens/air conditioning, $133.00 if in housing w/o AC
Meal plans not required

Meal plans are not required this summer. However, kitchens are limited in some of the housing spaces. Dining Services is recommending that students plan on $20/per day in declining dollars or UROS to feed themselves during the summer. School year declining does not carry over to summer.

Bridge Period

The Bridge period this year is only 4 days. Residential Life will not charge additionally for those students who have a fall 2021 housing contract and are in the full summer session and will be staying over to fall housing. Students will move to their fall housing during the first week of August. Those students who will not be in residential housing must move out Saturday, August 14th.
