2022 Summer Housing
FACT SHEET
Summer Housing Dates: May 16, 2022 – August 6, 2022

Do More—Learn More—Be More

Please read all information thoroughly. Once signed and submitted, your summer housing contract is binding.

We will be accepting summer housing and dining contracts starting Monday, April 4, 2022.

Limited air-conditioned (AC) spaces will be available for summer housing. Priority for kitchen and AC spaces will go to students who submit summer housing contracts by the May 2 priority deadline and will be staying for the full summer session.

GENERAL INFORMATION

Summer housing officially begins Monday, May 16 and ends Saturday, August 6.

We anticipate that summer housing will begin with all current students remaining in their current spaces and moves will occur the weekend of May 20. Students will be housed primarily in non-AC buildings in single and double occupancy rooms.

The University is not responsible for your personal property. You should consider obtaining insurance coverage for your personal property. Linen service and storage facilities are not provided.

ELIGIBILITY AND FEES

Eligibility for Summer Housing is specifically contingent upon your affiliation with the University of Rochester (UR).

You must be registered as a full-time UR undergraduate student for the 2022-2023 academic year or be a non-UR undergraduate student affiliated with a UR department, academic program, or faculty member to be eligible for summer housing. Non-UR students taking summer courses must provide verification of course registration and payment to submit a summer housing application.

You do not need to be registered for summer classes to participate in summer housing. Seniors who will graduate in May are eligible to remain for summer housing 2022, and are required to pay in full before the start of summer housing by check or money order, payable to University of Rochester and paid at the Residential Life Office.

**Please note that the University will not be providing broad support for summer room and board as was done last year with funding through the HEERF program.
Residential Life will be using **Susan B. Anthony Hall, Genesee Hall, and Brooks Crossing** for summer housing.

The summer service desk will be in Susan B. Anthony Hall. In apartments, all rooms within an apartment will have students assigned to them. Priority for air-conditioned space will go first to special programs, second to those with an approved medical need, must have an approved medical accommodation on file with Residential Life, third to those who are staying the full session, and then will be assigned as space permits by class year (rising seniors getting priority). As demand often exceeds availability, students should be prepared that they may not receive an air-conditioned space. Students may not preference which air-conditioned building (Brooks Crossing or Genesee) they receive.

Students requiring air-conditioning due to a medical condition must have an approved accommodation supporting that request on file with the Office of Disability Services and Support.

Students will be required to move out of their current housing into summer housing the weekend of May 20 into their summer assignment.

APPLICATION PROCESS

An Online Summer Housing Application/Contract must be submitted by 5 p.m., May 13, 2022, to remain for summer housing. For consideration of placement in limited AC space, the application must be submitted by May 2 and the student must be staying for the full summer session.

CANCELLATION AND CONTRACT CHANGES

A student may cancel their contract before the start of Summer Housing by contacting us at summerhousing@reslife.rochester.edu at least 7 days prior to the start of summer housing (5/16) without penalty. Failure to give adequate notice of a cancellation will result in a charge of $180 (first week rate).

Students select sessions and are obligated to pay for the entire session they have requested.

If you cancel your contract after the start of summer housing (5/16), you will be charged for the following:

- Any time you have already spent in summer housing
- A cancellation fee of $180 (one week’s stay)

If you are not 100% sure of your contract length, it is much better to select a shorter stay and then add weeks then try to subtract them. It is possible to add an additional week either to a session or a short-term stay. The first change is at no charge. If a student makes multiple changes to their stay, they will be charged an administration fee of $100 for each subsequent change.

- A1, A2, B1 students may add an additional week or two if needed
- Students selecting a short-term stay—up to 3 weeks and the stay must start on 5/16—may add an additional week or a session

All contracts that are canceled must be approved by Residential Life and will be prorated by the week.

Summer Housing ends on Saturday, August 6, 2022, at noon.

PAYMENT INFORMATION

1. Only UR students enrolled for the fall 2022 semester are eligible for summer housing charges to be posted to their UR student bill. Student bill charges will be posted for the full contract period indicated. You will see this on your June bill. Summer housing charges placed on the term bill must be paid in full by July 10, 2022. Summer housing charges cannot be carried forward into the next academic year’s billing cycles. Graduated seniors pay before the start of summer housing by check or money order, payable to University of Rochester.
