Personal History

The following questions ask about experiences of nonconsensual or unwanted sexual contact, as well as behaviors that may have occurred in a current or previous relationship. This information can be used to help create a safe, supportive community at your school.

In these questions, **unwanted sexual contact** is sexual contact that you **did not consent to** and that you **did not want** to happen. For the purpose of this survey, **sexual contact** means one (or more) of the following:

- touching of a sexual nature
- oral stimulation
- sexual intercourse
- anal penetration
- sexual penetration with a finger or object

If any of these questions are difficult or uncomfortable for you to answer, you are welcome to leave them blank. In the event that you do find them difficult to answer, we encourage you to consider seeking out support resources if needed (which are provided in this program).

**NOTE:** Information collected in this survey is for evaluation purposes only, and your responses are anonymous and will not be linked to you in any way. Your individual responses, including disclosures that may violate school policy or applicable laws, are **NOT** considered notice to the school or law enforcement for the purpose of triggering an individual investigation. Please refer to the resources provided in this program or contact an administrator at your school if you want to learn more about reporting or support options.

Has anyone ever told you that they experienced unwanted sexual contact?
Has someone ever had unwanted sexual contact with you? (e.g., used physical force or threatened to physically harm you; manipulated you through lies, threats, or pressure; took sexual advantage of you when you were significantly impaired or incapacitated by drugs/alcohol, etc.)

Have you ever had sexual contact with another person that they did not consent to or did not want? (e.g., used physical force or threatened to physically harm them; manipulated them through lies, threats, or pressure; took sexual advantage of them when they were significantly impaired or incapacitated by drugs/alcohol, etc.)
Has a current or former partner ever abused or threatened to abuse you? (e.g. verbally, physically, sexually, emotionally, financially)

Have you experienced repeated and unwanted attention, harassment, or other form of contact from another person that has made you feel afraid?
Personal History Continued

The following questions pertain to unwanted sexual contact you may have experienced after arriving at your current school as a student.

If any of these questions are difficult or uncomfortable for you to answer, you are welcome to leave them blank. In the event that you do find them difficult to answer, we encourage you to consider seeking out support resources if needed (which are provided in this program).

NOTE: Information collected in this survey is for evaluation purposes only, and your responses are anonymous and will not be linked to you in any way. Your individual responses, including disclosures that may violate school policy or applicable laws, are NOT considered notice to the school or law enforcement for the purpose of triggering an individual investigation. Please refer to the resources provided in this program or contact an administrator at your school if you want to learn more about reporting or support options.
