

# REGIONAL MATHEMATICS LEADERSHIP CADRE

## DESIGNING ACCESS TO RICH LEARNING: MAKING MATH MORE ENGAGING FOR ALL

The Center for Professional Development and Education Reform, in partnership with Genesee Valley, Monroe 1, Monroe 2, and Wayne-Finger Lakes BOCES, is once again offering an opportunity for teachers, teacher leaders, math coaches, and administrators to come together to learn, share resources and ideas, and provide support to each other as we work to successfully implement high-quality mathematics instruction for K-12 students. Different learning experiences offer different opportunities for students to develop mathematical understanding (Smith & Stein, 2018). We must work continuously to provide students with rich learning experiences that prioritize student engagement in sense-making. High-quality mathematics instruction “engages students in meaningful learning through individual and collaborative experiences that promote their ability to make sense of mathematical ideas and reason mathematically” (NCTM, 2014, p.5). This year’s Cadre will continue our commitment to bring research to practice as we focus on designing access to rich learning by making math more engaging for all, consistent with the NYS Next Generation Learning Standards and NYSED’s Numeracy Briefs.

**Audience:**

K-12 teachers of mathematics, leaders, math coaches, and administrators

- You may register individually and we also encourage teams from the same district to attend.

**Cost:**

\$748 per person for participants from any of the four partnering BOCES regions  
\$973 per person for all other participants

**Dates:**

Wednesday, October 22, 2025  
Wednesday, December 10, 2025  
Wednesday, February 11, 2026  
Wednesday, April 22, 2026

**Time:**

8:00 am - 2:30 pm  
Morning beverages and lunch provided.

\*\*Note: There will be approximately 2 hours of asynchronous work to be completed between these dates.

**Location:**

The Conference Center at Wayne-Finger Lakes BOCES  
131 Drumlin Court, Newark, NY 14513

Facilitated by the Mathematics Education Outreach Team from the Center for Professional Development and Education Reform

14th  
Year  
Running!

Registration is now live through [Wayne-Finger Lakes BOCES My Learning Plan Catalog](#). Please visit the [registration page](#) to reserve your seat today!
